See Section II for specific accounts accessible through Bay-Vanguard Internet Banking. Account balance and transaction history reflects activity through the close of the previous business day.

Transferring funds-The number of transfers from a savings account is limited as described in the applicable Account Disclosure Statement. If a hold has been placed on deposits made to an account from which you wish to transfer funds, you cannot transfer her portion of the funds held until the hold expires.

IV. Bill Pay Services

A. Using the Service

The Bay-Vanguard Bill Pay Service allows you to schedule bill payments through Bay-Vanguard Internet Banking. You can arrange, at your option, for the payment of your current, future and recurring bills from a checking account, up to a maximum of \$10,000.00 per payee/merchant each business day. There is no limit to the number of payments that may be authorized. Only one, one-time payment and one recurring payment may be sent to each payee on the same day.

We are unable to process any payments to federal, state, or local tax agencies.

By furnishing us with the names of your payee/merchants and their addresses, you authorize us to follow the payment instructions to these payee/merchants that you provide us via Bay-Vanguard Internet Banking. When we receive a payment instruction (for the current or future date), we remit funds to the payee on your behalf, from the funds in your selected Checking account, on the day you have instructed them to be sent ("Payment Date.") However, we shall not be obligated to make any such payment unless your account and/or overdraft protection plan has sufficient funds or credit availability to pay the bill on the Payment Date. Funds for all bill payments (whether these payments are made electronically or by check) will be withdrawn from your account on the day instructed by you via Bay-Vanguard Internet Banking.

You have the right to stop or change any scheduled payment. You must cancel the payment by no later than 4pm EST, on the payment date; by using the DELETE function on the Bay-Vanguard scheduled payment page or by calling:

Bay-Vanguard Internet Banking Customer Service at (410) 799-1909

Note: Any payments made with Bill Pay require sufficient time for your payee to credit your account properly. To avoid incurring a finance charge or other charge, you must schedule a payment sufficiently in advance of the due date of your payment. When you schedule payments: YOU MUST SCHEDULE THE PAYMENT AT LEAST 5 FULL BUSINESS DAYS PRIOR TO THE DUE DATE OF YOUR PAYMENT.

If Bay-Vanguard does not properly complete a bill payment on time or in the correct amount, we pay any late fees or finance charges as long as your account was in good standing with the merchant prior to this incident. We will also be liable to you if we fail to stop a payment pursuant to your timely order to do so. Bay-Vanguard shall not be responsible for any charges imposed or

any other action taken by a payee resulting from a payment that you have not scheduled properly, including any applicable finance charges and late fees. In addition, Bay-Vanguard will not be liable if any third party through whom any bill payment is made fails to properly transmit the payment to the intended payee. We will also not be liable if there are insufficient funds or credit availability in your designated payment account and/or overdraft protection plan; if a legal order directs us to prohibit withdrawals from the payment account, if the payment account is closed or frozen; or if the Bay-Vanguard ATM or any part of the electronic fund system is not working properly. Bay-Vanguard will not be liable for indirect, special, or consequential damages arising out of the use of Bill Pay.

Bay-Vanguard reserves the right to terminate your use of Bill Pay at any time.

If, for any reason, you should ever wish to cancel all future bill payments at the same time that you cancel your service, either by deleting those payments yourself using Bay-Vanguard Internet Banking or by calling Bay-Vanguard Internet Banking Customer Service at 410-799-1909. This will ensure that future payments and transfers made by you will not be duplicated. We will automatically delete all outstanding payment orders (all individual payments and recurring payments) once we have been notified that your service has been terminated. We will continue to maintain your accounts until you notify us otherwise.

B. Bill Pay Fees

For the fees applicable to your Bill Pay service, refer to Section VII-Miscellaneous Fees and Charges. The Bill Pay monthly fees cover service for the previous month and are effective upon enrollment. Fees will be charged to your payment account, whether or not bill payments are made in the month.

If the payment account has insufficient funds to cover fees, the bank may deduct the fee from any other checking account linked to Bay-Vanguard Internet Banking (in any order we choose.) If the fee cannot be paid, we may cancel Bill Pay. After cancellation, Bill Pay may be reinstated by contacting Bay-Vanguard Internet Banking Customer Service once sufficient funds are available in your account to cover all accrued Bill Pay fees and any other pending transfer or debit.

C. Joint Membership

Each Bill Pay membership can consist of a single member (one person) or joint members (several persons.) Each member needs a unique Bay-Vanguard Internet Banking password. The terms of this Internet Banking Access Agreement extend to all members. To have a joint membership, all members must be joint signers on the checking account linked to Bill Pay. Joint members share the same payee list, and are subject to the joint tenancy rules contained in the Account Disclosure Statement for that checking account. Accounts that require two or more signatures are not eligible to be linked to Bill Pay. Any account owner may close the Bill Pay service.

V. General Terms

A. Changes to Charges, Fees or Other Terms

We reserve the right to change the charges, fees or other terms described in this Internet Banking Access Agreement. When changes are made to any fees, charges, or other material terms we will update this Internet Banking Access Agreement, and either send a notice to you at the address shown on our records, or send you an electronic mail message (E-mail.) The notice will be posted or sent at least thirty (30) days in advance of the effective date of any additional fees for online transactions, or of any stricter limits on the type, amount or frequency of transactions or any increase in your responsibility for unauthorized transactions, unless an immediate change is necessary to maintain the security of the system. If such a change is made, and it can be disclosed without jeopardizing the security of the system, we will provide you with electronic or written notice within thirty (30) days after the change. As always, you may choose to accept or decline changes by continuing or discontinuing the accounts or services to which these changes relate. We also reserve the option, in our business judgment, to waive, reduce or reverse charges or fees in individual situations. Changes to fees applicable to specific accounts are governed by the applicable Account Disclosure Statement.

B. Disclosure of Account Information

You authorize Bay-Vanguard and each of its affiliates to disclose to third parties, agents, and affiliates, such as independent auditors, consultants or attorneys, information you have provided or that we or our affiliates have obtained about your accounts and the transfers you make; to comply with government agency or court orders or requests; or to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or where it is necessary for completing transfers; or to provide services relating to your account or to offer other products and services; or if you give us your permission.

C. Questions or Error Correction on Online Banking and Bill Pay Transactions

Call Bay-Vanguard Internet Banking Customer Service at 410-799-1909 between 9am and 4pm, Monday-Friday; write Bay-Vanguard FSB, 7657 Arundel Mills Blvd., Hanover, MD 21076 as soon as you identify any errors or discrepancies in your statement or transaction record, or if you need more information about a transaction listed on the statement or transaction record. We must hear from you no later than sixty (60) days after we have sent the first paper online statement on which the problem or error appeared. If you notify us verbally, we may require that you send us your complaint or question in writing within ten (10) business days.

When you tell us about your account problem, please include:

- Name and account number

We will tell you the results of our investigation within ten (10) business days, or twenty (20) business days in the case of point of sale purchases, after we hear from you and will correct any error promptly. If we need more time, however we may take up to forty-five (45) days, or ninety (90) days in the case of point of sale or international transaction, to investigate your complaint or question. If we decide to do this, we will recredit your account within ten (10) business days, or twenty (20) business days in the case of point of sale or international transactions, for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days of this request, we will not recredit your account. If we determine that there was no error, we will send you a written explanation within three (3) business days after we finish our investigation and debit the amount of the error that we previously credited. You may request copies of the documents that we used in our investigation.

If we do not complete a transfer to or from your Bay0Vanguard account on time or in time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable:

- If, through no fault of ours, you do not have enough money in your account to make a transfer or bill payment
- If a legal order directs us to prohibit withdrawals from the account
- If your account is closed or if it has been frozen
- If the transfer or bill payment would cause your balance to go over the credit limit for any credit arrangement set up to cover overdrafts
- If you, or anyone you allow, commits any fraud or violates any law or regulation
- If any electronic terminal, telecommunication device or any part of the electronic fund transfer system is not working properly
- If you have not provided us with complete and correct payment information, including without limitation: the name, address, account number, and payment amount for the payee on a bill payment
- If you have not properly followed the instructions for using Bay-Vanguard Internet Banking
- If circumstances beyond our control (such as fire, flood, or improper transmission or handling of payments by a third party) prevent the bill payment, despite reasonable precautions taken by us
